SMOKING

The Global Tobacco Epidemic: The Next 25 Years 14

We might be winning the fight against big tobacco in the United States, but what is the prognosis for the rest of the world?

JUDITH MACKAY

NATIVE AMERICANS

Challenges to Native American Health Care. 22

The managers of American Indian health programs must meet increased demand with fewer resources in a time of institutional transition.

JAY NOREN, DAVID KINDIG, AUDREY SPRENGER
